

Postanite udomitelji djetetu bez pratnje

Svako dijete zaslužuje sigurno i toplo okruženje u kojem može odrastati. Dijete bez pratnje koje je u Hrvatsku stiglo bez roditelja ili skrbnika posebno treba brižne odrasle osobe koje će djetetu pružiti stabilnost, podršku i priliku za sretno djetinjstvo.

Tko je dijete bez pratnje?

Dijete bez pratnje je svako dijete koje je primorano napustiti svoj dom i obitelj uslijed izrazitog siromaštva, potresa, poplava, ratnih razaranja i drugih kriznih situacija te odrasta izvan svoje domovine bez roditelja.

Zašto udomiteljstvo?

Udomiteljstvo djetetu bez pratnje pruža:

- Siguran dom i emocionalnu podršku
- Stabilnost i osjećaj pripadnosti
- Priliku za razvoj i obrazovanje

Tko može postati udomitelj?

Udomitelji mogu biti samci ili obitelji koje su spremne otvoriti svoj dom i srce djetetu u potrebi. Potrebno je proći proces procjene i edukacije, nakon čega dobivate dozvolu i postajete udomitelji.

Otvorite vrata svog doma i srca – budite promjena koju jedno dijete treba!

Vikend udomiteljstvo: kratkotrajna podrška djetetu bez pratnje

Razmišljate o udomiteljstvu, ali niste sigurni možete li se dugoročno baviti udomiteljstvom i dugoročno brinuti o djetetu? Vikend udomiteljstvo je odličan početak. Ovaj oblik udomiteljstva pruža vam priliku da pomognete djetetu, pružite mu sigurnost i osjećaj pripadnosti, bez dugoročne obveze. Za djecu bez pratnje, vikend udomiteljstvo je prilika da dožive obiteljski život i emocionalnu stabilnost. Istovremeno, Vama omogućava da se upoznate s potrebama djeteta i steknete iskustvo udomiteljstva.

Podrška udomiteljima

Udomitelji nisu sami u ovom procesu! Dostupne su im stručne edukacije i kontinuirano savjetovanje, a podršku im pružaju:

- Timovi za udomiteljstvo (psiholog, socijalni radnik i pravnik)
- Centar za pružanje usluga u zajednici Zagreb - Dugave
- Drugi pružatelji socijalnih usluga

Become a foster parent of an unaccompanied child

Every child deserves a safe and warm environment to grow up in. An unaccompanied child who has arrived in Croatia without a parent or guardian – especially needs caring adults who will provide the child with stability, support and the opportunity for a happy childhood.

Who is an unaccompanied child?

An unaccompanied child is any child forced to leave their home and family due to extreme poverty, earthquakes, floods, war destruction, and other crisis situations, growing up outside their home country without parents or other caregivers.

Why foster care?

Foster care provides an unaccompanied child with:

- A safe home and emotional support
- Stability and a sense of belonging
- An opportunity for development and education.

Who can become a foster parent?

Foster parents can be individuals or families ready to open their home and heart to a child in need. You must undergo an assessment and training process, after which you receive a licence and become a foster parent.

**Open the doors of your home and heart
– be the change a child needs!**

Weekend foster care: short-term support for an unaccompanied child

Thinking about foster care but unsure if you can commit to the long-term responsibilities of caring for a child? Weekend foster care is a great start! This type of foster care allows you to help a child, provide them with safety and a sense of belonging, without a long-term commitment. For unaccompanied children, weekend foster care is an opportunity to experience family life and emotional stability. At the same time, it allows you to understand the child's needs and gain foster care experience.

Support for foster parents

Foster parents are not alone in this process! They have access to professional training and continuous counselling, and are supported by:

- Foster care teams (psychologist, social worker, and lawyer)
- Center for Community Services Zagreb – Dugave
- Other social service providers
